Dear Mr. Weingarten:

I just wanted to express a huge Mahalo for introducing me to Dane, Cynthia, Tom, Liz and everyone with the Explore team. Charlie, sense I have met you in February and have experienced your sincere Aloha to assist AccesSurf, I truly know that AccesSurf will be able to touch Millions in the years to come. Your unrestricted gift to our program speaks volumes to us and others and I am truly grateful for your generosity. I was just contacted yesterday from a PBS group in Hawaii called "Reel Stories" after they heard that your Documentary will be playing on Maui this weekend and would like to create a story about your video and us in Hawaii. See...you are all ready helping us grow in leaps and bounds. Mahalo.

The Annenberg Foundation contribution will have a direct connection to the number of lives we impact. Our programs are tailored to cover a broad spectrum of disabilities ranging from behavioral, mental and physical challenges. Those in our program come from diverse backgrounds, ages, and abilities with some participants as young as 6 and as old as 96.

On May 20, 2008, AccesSurf Hawaii was honored to receive your commitment of \$100,000.00 for General operations to support the efforts of AccesSurf: commitment number (08-472). Mahalo again from all of us and the participants at AccesSurf Hawaii.

Sincerely,

Mark Marble, CTRS
