Dear Mr. Weingarten,

Thank you for your recent gift of \$25,000 to the Alzheimer's Association. While The Annenberg Foundation has been very generous to the Association throughout the years, it has been brought to my attention that this gift was the first of its kind directed by you. On behalf of the 5 million Americans affected by Alzheimer's disease, we are grateful for your commitment to the Alzheimer's Association.

We work tirelessly to eradicate this devastating and fatal disease by funding research, enhancing awareness and providing support for all affected. The generosity of The Annenberg Foundation will help move our progress forward.

Although I am based in Chicago, I am in the California area regularly and would welcome the opportunity to speak with you directly. I am interested in learning what inspired you to make this gift. I will follow-up with your office in the coming weeks to arrange a time for us to talk or meet during my next visit. However, please do not hesitate to contact at (312) 335-5785 or [heather.hutchison@alz.org](mailto:heather.hutchison@alz.org). Together we can make a difference and achieve a world without Alzheimer's disease.

Sincerely,
